## PRESS RELEASE

### RELOCATION ASSISTANCE IS A TOP PRIORITY

Classy & Chic Boutique has been a part of the Millwork District since 2018, offering unique fashion and exceptional service to its customers. As a part of the Millwork Flats development at 1065 Jackson Street, the boutique is preparing for a potential relocation.

“We are committed to supporting Classy & Chic Boutique through this transition,” said Michael Fullan, a member of the Development Team. “We deeply appreciate their willingness to support this exciting development. Our goal is to ensure they find a suitable new location and that the move is as seamless as possible. This transition isn’t easy, but we are fully dedicated to making sure they are well taken care of.”

Given the anticipated redevelopment, we are actively collaborating with the business owner to identify potential new locations, to continue serving their loyal customers. As a part of any relocation, the development team is covering all relocation expenses and offering an incentive bonus to support the move, ensuring that both the tenant and their customers are well-supported through this potential transition.

Although specific relocation details are not yet available, we are committed to ensuring a smooth transition and maintaining the high level of service their customers expect. Until further notice, Classy & Chic Boutique will continue to operate in their current Millwork location alongside their additional Kennedy Mall location.

This decision is contingent upon the approval of project incentives and comes as part of the exciting new mixed-use project set to enhance Dubuque’s Historic Millwork District. While the project’s final approval for state and local incentives is still pending, we are preparing for the possibility of this development bringing renewed vitality to the district.
